arr, 1991, he suddenly stopped all pay-ments and declined to do anything more for one. Before my boy was born early n our relations he generally introin our relations he generally intromised me to his friends as his niece. He ould this to account nor his attentions to me and the last that he had suppiled me with his hotses and carriages. He often told me that bothing in the world was now good for he. Mrs. Racdolph admitted that she went driving with Stokes the first night they met after she had moved to the Seventy-second street boarding-house. The second time she confided to him the fact that she had lives with a Philadelphis man, and soon afterward they came to a mutual understanding as to what their relations satisfy as "I gave up the idea of finding employment then," she said in reply to Mr. Gruber. "I was very fond of Mr. Stokes and was widing to five with him. This was in July, 1860. I concurred in his wish that we might have a child, for he seemed to be so determined upon it. "He said that he would provide handsomely for both me and the child. I was willing under such conditions to submit to his desire in this respect." Meantime the boy, who is the subject of the sait, lost all interest in the proceedings and recked not of the bharp cross-questioning his mother was gelting at the hands of Mr. Gruber. He curred up in his nurse's arms and took his afternoon hap. Under Abe Gruber's Probe.

Under Abe Gruber's Probe

My real name is Lucy May Eandril, tmy surmane was changed to handput at Mr. Stokes's suggestion," said a Handour to Abe Griffer at the chaning of his cross-examination.

The District-Attorney's office went to change the woods for evidence against the pool-wise to Far Rockaway?" asked Mr. room syndicate upon which it raided a change of the woods for evidence against the pool-wise to Far Rockaway?" asked Mr.
